

## Mission / Goal / Values

### Our Mission

Bringing Canadians into partnership with indigenous Christian ministries to advance the Kingdom of God.

### Our Goals

Our goal is to support the vision and work of our partners; extraordinary Christians around the globe who are changing the social and spiritual landscapes within their areas of influence. Our partners' work is local, effective and appropriate. As their partners, we are not their overseas directors, we are their partners. Our contributions enhance their work.

Partners International also contributes to, and enhances the missions-related goals of Canadian donors.

### Our Values

Effective partnership is built on transparency, accountability, shared goals, and mutual respect. Everything Partners International does in our relationships with our overseas partners and Canadian donors expresses these values. We commit to effective and timely reporting on the use of funds to all contributors, and aim to channel the maximum amount of each donation to the ministry context.
